SCAD Hosts Halloween Luncheon for a Frightening Good Time

Friday October 29th was a full house at the Stewart County Day Center. The Center hosted its annual Halloween party in addition to a potluck luncheon. The center was filled to the brim with good food and fun costumes. Attendees ate while visiting with families, friends, and staff.

About 60 plus were present including staff. The employee of the month award was given thus, finishing the day off on a great note. Everyone had a wonderful time and is looking forward to the next event.

Montgomery County Day Center

Halloween is such an exciting time and those at the Montgomery County Day Center make the occasion even more fun. Friday October 29th, the center hosted a Halloween party which included a costume contest and chili luncheon. All friends and family were invited to join. Those that attended enjoyed homemade chili with all the fixings and many wonderful deserts. All the costumes looked awesome and David Jones accepted the award and prize for best!

Kids Depot News

Kids Depot Child Care Center recently hosted their 2nd Annual Fall Festival. It was a huge success with well over 200 people in attendance. Families, friends and the surrounding Sango community came out in support of the center. All had smiles on their faces as they enjoyed the many activities such as face painting, crafts, pumpkin painting, a cake walk, bowling, ring toss, inflatables, refreshments and much more! There were 7 lucky people that walked away with great door prizes; one included a week of free childcare.

"We could not have asked for a more beautiful day for all of the families and supporters that came out and participated in the games, crafts, refreshments and inflatable's. We are looking forward to planning next year's event to make it even bigger and better. Thank you to all that attended." Jan Dunn, Director of Children
